Adventurous Path

2026 - Junior Fashion Content Creator at Vogue

In this role, you'll leverage your design expertise to create engaging fashion content, using platforms like Instagram and TikTok to reach a wide audience. This role aligns with your admiration for fashion influencers and allows you to explore your creative side.

Key Actions:

- Create fashion-focused digital content
- Engage with fashion communities online
- Collaborate with photographers and stylists

Skills:

Content Creation, Social Media Strategy

2027 - Travel Experience Designer at Airbnb

Transitioning from content creation to designing travel experiences, you'll use your user research skills to craft personalized travel itineraries and experiences, enhancing user engagement and satisfaction.

Key Actions:

- Design unique travel experiences
- Conduct user research to understand traveler needs
- Collaborate with local hosts and vendors

Skills:

Experience Design, User Research

2028 - Fitness Content Strategist at Nike

As a Fitness Content Strategist, you'll develop and execute content strategies that inspire and educate fitness enthusiasts, using your design skills to create visually compelling content.

Key Actions:

- Develop fitness content strategies
- Create engaging multimedia content
- Collaborate with fitness influencers

Skills:

Content Strategy, Multimedia Design

2029 - Jazz Music Event Curator at Blue Note

In this role, you'll curate jazz music events, using your design and strategic skills to create immersive musical experiences. This position aligns with your values of authenticity and impact, bringing jazz music to diverse audiences.

Key Actions:

- Curate and design jazz music events
- Collaborate with musicians and venues
- Develop marketing strategies for events

Skills:

Event Curation, Strategic Planning
